## India Electronics Expo 2024

India has registered a quantum growth in electronics hardware, consumer electronics and component manufacturing driven by pro active Government of India policies, incentives and planned & time bound implementation of the projects

A platform for worldwide exhibitors & delegates to interact and develop business opportunities as per their mutual interests.

The Expo showcases the whole spectrum of electronic technologies, pioneering products and solutions, while also providing information on the newest research and application trends. Products displayed include consumer electronics, IT hardware, embedded products & technology, aerospace & defence electronics, automotive electronics, telecom equipment & accessories, sensors & IoT devices, medical electronics & equipment, solar panels & equipments, security electronics /CCTVs, and many more.

- Consumer Electronics
  - Electronics Systems & Design Manufacturing (ESDM)
  - Computer Hardware
  - Electronics Components
  - Sensor & IOT Devices
  - Interconnection
  - Strategic Electronics
  - Drones
  - Industrial Electronics
  - IT Hardware Products
  - Power Electronics
  - Telecom – mobile devices and accessories
  - Instruments, Office equipment
  - Solar Powered products
  - Semiconductors
  - Medical Electronics & Equipment
  - Automotive Electronics
  - Energy Efficient Electronics
  - Aerospace & Defence Electronics
  - Embedded Products & Technologies
  - Electronic Manufacturing Services
  - Security and surveillance
- many more...

## Major Items of Interest - 2023

- ✓ Consumer Electronics
- ✓ Embedded Technologies
- ✓ Fire safety equipment
- ✓ Inventory Management
- ✓ Optical disc drive
- ✓ Routers
- ✓ Computer Hardware & Accessories
- ✓ Cloud Computing
- ✓ Drones
- ✓ ERP systems
- ✓ Power electronics
- ✓ PoS Terminals
- ✓ Monitoring and control instruments
- ✓ Integrated Circuits
- ✓ Cyber Security
- ✓ Energy Meters
- ✓ Photovoltaic panels
- ✓ Vending machines
- ✓ Smart Cities
- ✓ IT Hardware Accessories and Equipments
- ✓ Batteries
- ✓ Electronics Components
- ✓ Boards
- ✓ Office equipments
- ✓ Retail Data Tracking
- ✓ Virtual Medical Care
- ✓ CCTV and Other electronics
- ✓ IoT Devices and Sensors
- ✓ Enterprise Application & Solutions
- ✓ Hard disk drive (HDD)
- ✓ Mobile Phones
- ✓ Solar Powered products
- ✓ GPS tracking devices for automotive and fixed equipment
- ✓ Industrial equipment (printers, computers, packaging equipment)
- ✓ Voice-Powered Technologies

# Major Exhibitors:

Aimtron Electronics Pvt Ltd

Asianlab Grown Diamond LLP

Atlanta Systems Private Limited

BPL LTD

BrainChild Technologies

BrainChild Technologies

Aimtron Electronics Pvt Ltd

Electronics Sector Skill Council of India

Hitone Electronics

ILJIN Electronics India Pvt Ltd

Kasa Lights and Electronics Pvt Ltd

Kaynes Technology India limited

Nucloenix Systems Pvt Ltd

Phoenix Contact Pvt Ltd

Phytec Embedded Pvt Ltd

Premier Industries

Riosh Technologies Pvt Ltd

Sahasra Electronics Pvt Ltd

Samridhi Automation (SPARSH)

Scogo Networks Pvt Ltd

Syrma SGS

Trunexa Inc

Uniconverge Technologies Pvt Ltd

UTM India

WYSE Biometrics Systems Pvt Ltd

# Testimonials - Indian Exhibitors

Our special thanks to ESC team who have managed and organized this event very professionally and efficiently

Mr Y D Wadaskar, CEO, Wyse Biometrics Systems Pvt Ltd

The event attracted industry leaders from the Electronics Industry and created opportunities for us to work and collaborate with the industry

Mr Saleem Ahmed Vice-President, ESSCI

Capximize India received an overwhelming response from both international as well as Indian visitors @ India Electronics Expo.

Mr Sanjeev Pandey Regional & Marketing Head, Capximize India Pvt Ltd

The exhibition indeed gave opportunities for valuable networking & engaging discussion with business experts globally.

Mr Arun Kumar Singh, Director, Phytec Embedded Pvt Ltd

We got response better than expectation for IT Hardware & Memory Products from India as well as from many other countries.

Mr Ankur Dwivedi Sahasra Electronics Pvt Ltd

We got a good lead in India Electronics Expo. We are at final stage of finalizing an order with couple of customers worth 20-30 Crore.

Mr Jayaramu N, Senior Manager, Kaynes Technology India Limited

# Testimonials - Foreign Delegates

I had the opportunity to make fruitful B2B meetings, for the purpose of international partnership between my Senegalese company and Indian companies.

*Mr Cisse Elhadji Fabore, CMD,  
Juntimol Holding Sas, Senegal*

I am simply dazzled by the quality of the organization of the event, and also the quality of the exhibitors and quality of products.

*Mr Fozeu Pierre Marie, C.E.O, Africa  
Contractors Sarl, Cameroon*

It was a wonderful and great exhibition to participate in and learn from our Indian brothers

*Mr. Sydney Chiyaba, Founder & CEO, Prime  
Information Systems Limited, Zambia*

It was very insightful and I have made a lot of useful contacts. I have already started engaging some of the suppliers.

*Mr Mukesh Mark Ramsingh, Metro Hotel Ltd,  
Trinidad & Tobago*

If it is my first time to participate in an event of such magnitude the exhibitors were really warm and very welcoming.

*Mr. Gnagna Kossitse Edem  
Ets Koudaya & Fils, Togo*

The event was impressive, with exhibitors showcasing their products for export markets, aligning perfectly with the "Make in India" theme.

*Mr. Devang Lakhani, Country Manager,  
Link-Ghana, Ghana*
